

Let a Light Shine for your loved ones!

West Central Iowa Healthcare Foundation's

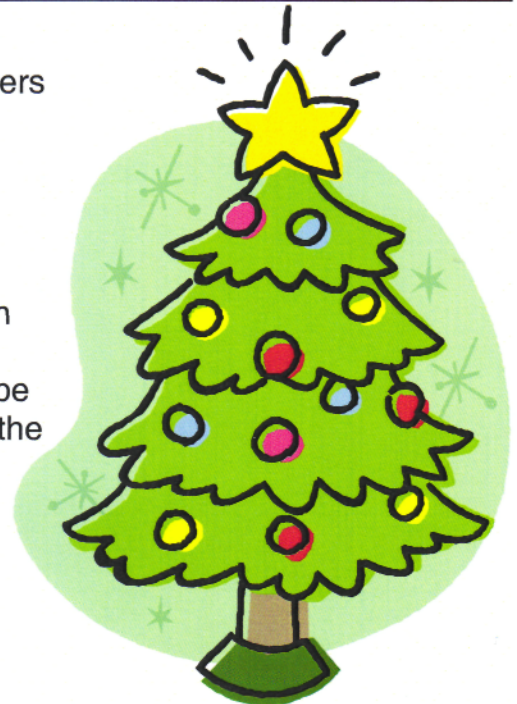

19th Annual Dream Light Tree

The WCIHF's annual Dream Light Tree is a beautiful holiday tradition of remembering and honoring beloved family members and friends. Colored bulbs are purchased to light the Dream Light Tree located on the west lawn of the Manning Plaza.

Your gifts in memory or in honor of your loved one(s) can place a red, green, blue or orange light on the Dream Light Tree. In addition, your gift will place your loved one's name in a window display at the hospital's old Main Street entrance (now the Foundation entrance). At your request, a letter will be sent to family members notifying them of the light placed on the tree. All honorees will also have their names placed in the Book of Memories in the main lobby of the hospital and on our Web page - www.wcihf.org.

Dream Lights gifts may also be made on our Web page through PayPal.

This year's Dream Light donations will benefit the hospital's outpatient clinics with the purchase of a treadmill to be used for cardiac testing and pulmonary functioning testing.
